

New Junior Lifeguard Summer Program, New Trees and New Coat of Paint!

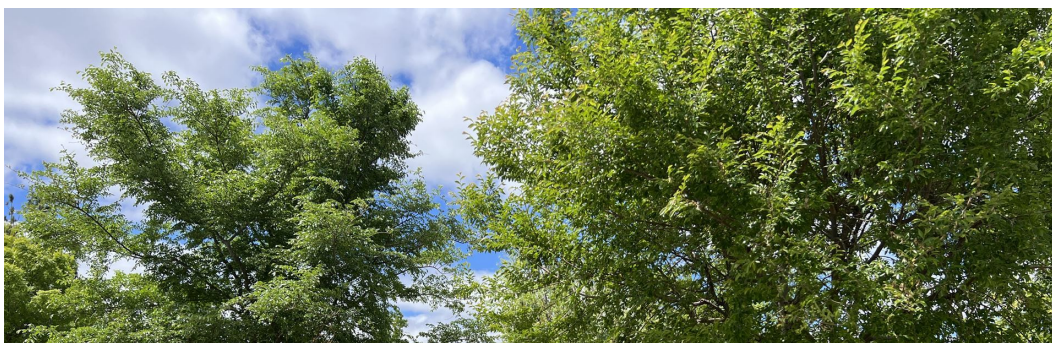

Junior Lifeguard Summer Program

We now have a junior lifeguard summer program for aspiring lifeguards! This program is being led by a retired SJPD officer that has taught many academy programs and has a passion for inspiring youth! Our very own Skip Harsany. Click on this [link](#) for more information about the program.

New Trees and a New Coat of Paint

The new trees are in!! It was sad to have to take down the threesome of trees we had for so many years this past year due to disease and a growing safety concern. But now, we have two new trees that have been strategically planted to maximize shade! We did complete tenting the buildings for termites and performed necessary termite damage and other rot repairs. And with the new roof and two rounds of Spring cleaning done, the buildings were ready for a new (color updated) coat of paint to complete our cabana's facelift!

Thank you to the hard working Dolphin parents, board members, and board supporters that made this happen!!

Best Regards,

The Board
Almaden Cabana Club
